

SF Locker – Charitable Donations

SFHK serves as a platform to connect customers and charities. Customers can make a donation to the selected charities based on their preferences when they pick up their parcels at designated SF Lockers[^]. **All donations collected through SF Locker will be transferred to participating charities without charging any costs and handling fees by SFHK**, in support of the development projects of the charities.

List of beneficiary organizations (in the order of number of strokes of the first Chinese character) :

Heep Hong Society (HHS) established in 1963, HHS is a leading children education and rehabilitation organisation committed to helping children and youth of diverse needs. It offers professional assessment, guidance, training and family support which cater the needs of more than 15,000 families every year, thereby contributing to an inclusive society. As an innovative service provider, HHS is dedicated to developing evidence-based approaches and promoting the development of the integrated education and rehabilitation sectors through a suite of research, training, publications and tools.

RMHC Hong Kong was established in 1996. As a firm believer of "family-centered care", RMHC Hong Kong has provided more than 180,000 nights of "home away from home" to the children who are suffering from serious illnesses and their families for a quarter of a century. By offering a supportive environment, parents are able to take care of their sick children as well as other family members. The support provided by RMHC Hong Kong has lessen their burden, helping them get through their difficult times.

Make-A-Wish Hong Kong was registered in Hong Kong as a charity in 1998. Its mission is to create life-changing wishes for children with critical illnesses aged between 3 and 17 in Hong Kong and Macau to enrich the human experience with hope, strength, and joy. A wish creates an opportunity for hope and the ability to experience life beyond illness. The foundation believes that a Wish Journey – through which a child articulates, refines, and realizes his/her wish – will bring a transformative impact not just to the child concerned but also to the child's family as they tackle some of their most difficult trials in life. To date, Make-A-Wish Hong Kong has transformed over 2,000 children's lives.
