- Notes:
- For express shipments under 20 kg, weight is calculated in increments of 0.5 kg. If the weight is less than 0.5 kg, it will be rounded up to the next 0.5 kg. For express shipments over 20 kg, weight is calculated in increments of 1 kg. If the weight is less than 1 kg, it will be rounded up to the next full kg.
  - For express shipments to China, Hong Kong, and Macau, if the declared value per kilogram of a single shipment of non-document items exceeds TWD 50,000, purchasing value protection is recommended.
  - The prices listed include a 5% business tax but do not include fuel surcharges or additional service fees.
  - The chargeable weight is determined by comparing the actual weight and volumetric weight, with the higher value being used. Volumetric weight formula: (Length x Width x Height in cm) ÷ 6000.
  - SF Express reserves the right to modify the pricing table, reclassify parcel categories, amend service terms, or discontinue services without prior notice.
